

PRAYER FOR UNKNOWN

Few words prayer for unknown....

A farmer grows crops for unknown.

A labor, built road for unknown.

A writer gives knowledge to unknown.

We don't know who cooked bread for us.

We don't know who designed the phone which we talk.

We don't know who colored the cloth which we wear.

Then why we pray for known only.

This is my prayer for those who work for me but not known to me.

This is my prayer for those who are my invisible care taker.

Thank you, God. Keep all safe and happy always.
